

Building a Better Tomorrow for Every Family

With the support of our donors, volunteers and communities, we are creating real change in people's lives. From healthcare to education, from clean toilets to farmer support, every step we take brings hope, dignity and a better tomorrow.

Community gathering in rural Sindh

TOILET PROJECT

Bringing Better Sanitation to Rural Communities

Our Toilet Project continues to support families across rural Sindh by helping communities access safer and healthier sanitation facilities.

The Trust has facilitated the construction of **5,348 toilets** across **314 villages** in **7 districts**, helping families improve hygiene, privacy and dignity.

HAND PUMP PROJECT

Bringing Safe Water to Families

Access to safe and convenient water can make a meaningful difference in everyday life. Our Hand Pump Project continues to bring accessible water sources closer to rural families.

Our teams continue to identify communities facing difficulties accessing water and support eligible villages through the application and survey process.
